THE APPLICATION IDENTIFIED ABOVE HAS BEEN EXAMINED AND IS ALLOWED FOR ISSUANCE AS A PATENT. PROSECUTION ON THE MERITS IS CLOSED. THIS NOTICE OF ALLOWANCE IS NOT A GRANT OF PATENT RIGHTS. THIS APPLICATION IS SUBJECT TO WITHDRAWAL FROM ISSUE AT THE INITIATIVE OF THE OFFICE OR UPON PETITION BY THE APPLICANT. SEE 37 CFR 1.313 AND MPEP 1308.

THE ISSUE FEE AND PUBLICATION FEE (IF REQUIRED) MUST BE PAID WITHIN THREE MONTHS FROM THE MAILING DATE OF THIS NOTICE OR THIS APPLICATION SHALL BE REGARDED AS ABANDONED. THIS STATUTORY PERIOD CANNOT BE EXTENDED. SEE 35 U.S.C. 151. THE ISSUE FEE DUE INDICATED ABOVE DOES NOT REFLECT A CREDIT FOR ANY PREVIOUSLY PAID ISSUE FEE IN THIS APPLICATION. IF AN ISSUE FEE HAS PREVIOUSLY BEEN PAID IN THIS APPLICATION (AS SHOWN ABOVE), THE RETURN OF PART B OF THIS FORM WILL BE CONSIDERED A REQUEST TO REAPPLY THE PREVIOUSLY PAID ISSUE FEE TOWARD THE ISSUE FEE NOW DUE.

HOW TO REPLY TO THIS NOTICE:

I. Review the SMALL ENTITY status shown above.

If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

B. If the status above is to be removed, check box 5b on Part B - Fee(s) Transmittal and pay the PUBLICATION FEE (if required) and twice the amount of the ISSUE FEE shown above, or

If the SMALL ENTITY is shown as NO:

A. Pay TOTAL FEE(S) DUE shown above, or

B. If applicant claimed SMALL ENTITY status before, or is now claiming SMALL ENTITY status, check box 5a on Part B - Fee(s) Transmittal and pay the PUBLICATION FEE (if required) and 1/2 the ISSUE FEE shown above.

II. PART B - FEE(S) TRANSMITTAL, or its equivalent, must be completed and returned to the United States Patent and Trademark Office (USPTO) with your ISSUE FEE and PUBLICATION FEE (if required). If you are charging the fee(s) to your deposit account, section "4b" of Part B - Fee(s) Transmittal should be completed and an extra copy of the form should be submitted. If an equivalent of Part B is filed, a request to reapply a previously paid issue fee must be clearly made, and delays in processing may occur due to the difficulty in recognizing the paper as an equivalent of Part B.

III. All communications regarding this application must give the application number. Please direct all communications prior to issuance to Mail Stop ISSUE FEE unless advised to the contrary.

IMPORTANT REMINDER: Utility patents issuing on applications filed on or after Dec. 12, 1980 may require payment of maintenance fees. It is patentee's responsibility to ensure timely payment of maintenance fees when due.

PART B - FEE(S) TRANSMITTAL

Complete and send this form, together with applicable fee(s), to: **Mail Stop ISSUE FEE**
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450
or Fax (571)-273-2885

INSTRUCTIONS: This form should be used for transmitting the ISSUE FEE and PUBLICATION FEE (if required). Blocks 1 through 5 should be completed where appropriate. All further correspondence including the Patent, advance orders and notification of maintenance fees will be mailed to the current correspondence address as indicated unless corrected below or directed otherwise in Block 1, by (a) specifying a new correspondence address; and/or (b) indicating a separate "FEE ADDRESS" for maintenance fee notifications.

Determination of Patent Term Adjustment under 35 U.S.C. 154 (b)

(application filed on or after May 29, 2000)

The Patent Term Adjustment to date is 1124 day(s). If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the Patent Term Adjustment will be 1124 day(s).

If a Continued Prosecution Application (CPA) was filed in the above-identified application, the filing date that determines Patent Term Adjustment is the filing date of the most recent CPA.

Applicant will be able to obtain more detailed information by accessing the Patent Application Information Retrieval (PAIR) WEB site (<http://pair.uspto.gov>).

Any questions regarding the Patent Term Extension or Adjustment determination should be directed to the Office of Patent Legal Administration at (571)-272-7702. Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at 1-(888)-786-0101 or (571)-272-4200.

DETAILED ACTION

1. The amendment dated 07/15/09 has been considered.
2. Claims 1-4, 7-10, 12-15, 18-21, 23, 25, 27-28 are allowed.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below, Should the changes and/or additions be unacceptable to the applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for the examiner's amendment was given in a telephone interview with attorney Rhett White on 10/29/09.

The application has been amended as follows:

The newly amended claims, including the changes made by Examiner's amendment are presented below:

1. (Currently Amended) A method comprising:
receiving, [[at]] by a payment service provider, a payment request to pay a payee on behalf of a payor by debiting a payor account;
determining, [[at]] by the payment service provider, a plurality of debit options applicable for debiting the payor account, wherein each debit option is associated with a plurality of processing factors comprising at least one of a risk factor, a cost factor, or a speed factor;

Art Unit: 3696

selecting, by the payment service provider, ~~at least one~~ a first processing factor of the plurality of processing factors based on a preference associated with at least one of (i) a consumer service provider associated with the payor, or (ii) the payment service provider;

evaluating, [[at]] by the payment service provider, each debit option of the plurality of debit options based on the ~~at least one~~ selected first processing factor;

determining, by the payment service provider, that the evaluation of a first of the plurality of debit options based on the first processing factor and the evaluation of a second of the plurality of debit options based on the first processing factor produce the same result;

evaluating, by the payment service provider, the first and the second of the plurality of debit options utilizing a second of the plurality of processing factors;

automatically selecting, [[at]] by the payment service provider, the first one of the plurality of debit options as a selected debit option based, at least in part, on the evaluation utilizing the second of the plurality of processing factors; evaluating;

determining, at the payment service provider, a credit option associated with the selected debit option; and

executing, at the payment service provider, the payment request using the selected debit option and the credit option,

wherein the above steps are performed by one or more computers associated with the payment service provider.

2. (Previously Presented) The method of claim 1, wherein the plurality of debit options includes i) electronically debiting the payor account responsive to determining that funds in at least an amount of the payment request are available in the payor account, ii) electronically debiting the payor account responsive to determining that an entity is available from which to collect funds if funds cannot be collected from the payor in association with effecting the payment, iii) electronically debiting the payor account responsive to selecting an account to receive an electronic credit associated with the electronic debit, the selected account associated with a payment service provider, iv)

Art Unit: 3696

electronically debiting the payor account responsive to determining that a risk of financial loss to a payment service provider associated with effecting the payment on behalf of the payor is an acceptable risk, the determination based upon information associated with at least one of an amount of the payment and one or more prior payments effected on behalf of the payor, or v) electronically debiting the payor account responsive to determining that an electronic credit can be initiated by a payment service provider to reverse the electronic debit if funds cannot be collected from the payor in association with the effected payment.

3. (Previously Presented) The method of claim 1, wherein each of the debit options is determined based, at least in part, upon at least one of i) an identity of the payee, ii) an identity of the payor, iii) an identity of a financial institution at which the payor account is maintained, iv) an identity of a consumer service provider with which the payor is associated, or v) a type of payment service offered by a payment service provider utilized by the payor.

4. (Previously Presented) The method of claim 1, wherein executing the payment request using the selected debit option and the credit option includes issuing an electronic funds transfer file via an ACH network.

5. (Previously Canceled)

6. (Previously Canceled)

7. (Previously Presented) The method of claim 1, wherein the plurality of debit options is determined based upon the received payment request.

8. (Currently Amended) The method of claim 1, wherein each of the plurality of debit options is associated with a priority, and wherein evaluating the first and the second of the plurality of debit options utilizing a second of the plurality of processing

Art Unit: 3696

factors comprises determining that the first of the plurality of debit options has a higher associated priority than the second of the plurality of debit options. evaluating each debit option of the plurality of debit options based on the at least one selected processing factor comprises a first of the plurality of debit options and a second of the plurality of debit options producing the same result, and further comprising:

determining, by the payment service provider processor, that the first of the plurality of debit options has a higher associated priority than the second of the plurality of debit options; and

wherein automatically selecting one of the plurality of debit options comprises automatically selecting the first of the plurality of debit options based at least in part on determining that the first of the plurality of debit options has a higher associated priority than the second of the plurality of debit options.

9. (Currently Amended) The method of claim 1, wherein selecting at least one processing factor of the plurality of processing factors comprises selecting one of (i) the speed factor, (ii) the cost factor, or (iii) the risk factor. evaluating each debit option of the plurality of debit options based on the at least one selected processing factor comprises a first of the plurality of debit options and a second of the plurality of debit options producing the same result, and further comprising:

determining, by the payment service provider processor, that the first of the plurality of debit options is associated with a shorter time period to complete payment to the payee on behalf of the payer than the second of the plurality of debit options; and

wherein automatically selecting one of the plurality of debit options comprises automatically selecting the first of the plurality of debit options based at least in part on determining that the first of the plurality of debit options is associated with a shorter time period to complete payment to the payee on behalf of the payer than the second of the plurality of debit options.

10. (Currently Amended) The method of claim 1, wherein evaluating the first and the second of the plurality of debit options utilizing a second of the plurality of processing

Art Unit: 3696

factors comprises evaluating the first and the second of the plurality of debit options utilizing one of (i) the speed factor, (ii) the cost factor, or (iii) the risk factor. ~~evaluating each debit option of the plurality of debit options based on the at least one selected processing factor comprises a first of the plurality of debit options and a second of the plurality of debit options producing the same result, and further comprising:~~

~~determining, by the payment service provider processor, that the first of the plurality of debit options is associated with a lesser cost to the payment service provider than the second of the plurality of debit options; and~~

~~wherein automatically selecting one of the plurality of debit options comprises automatically selecting the first of the plurality of debit options based at least in part on determining that the first of the plurality of debit options is associated with a lesser cost to the payment service provider than the second of the plurality of debit options.~~

11. (Cancelled)

12. (Currently Amended) A system comprising:

a communication interface configured to receive a payment request to pay a payee on behalf of a payor by debiting a payor account; and

a processor configured to i) determine a plurality of debit options applicable for debiting the payor account, wherein each debit option is associated with a plurality of processing factors comprising at least one of a risk factor, a cost factor, or a speed factor, ii) select at least one a first processing factor of the plurality of processing factors based on a preference associated with at least one of a consumer service provider associated with the payor or the payment service provider, iii) evaluate each debit option of the plurality of debit options based on the at least one selected first processing factor, iv) determine that the evaluation of a first of the plurality of debit options based on the first processing factor and the evaluation of a second of the plurality of debit options based on the first processing factor produce the same result, v) evaluate the first and the second of the plurality of debit options utilizing a second of the plurality of processing factors, vi) automatically select the first one of the plurality of debit options

Art Unit: 3696

as a selected debit option based, at least in part, on the evaluation utilizing the second of the plurality of processing factors, v) vii) determine a credit option associated with the selected debit option, and vi) viii) execute the payment request using the selected debit option and the credit option.

13. (Previously Presented) The system of claim 12, wherein the plurality of debit options includes i) electronically debiting the payor account responsive to determining that funds in at least an amount of the payment request are available in the payor account, ii) electronically debiting the payor account responsive to determining that an entity is available from which to collect funds if funds cannot be collected from the payor in association with effecting the payment, iii) electronically debiting the payor account responsive to selecting an account to receive an electronic credit associated with the electronic debit, the selected account associated with a payment service provider, iv) electronically debiting the payor account responsive to determining that a risk of financial loss to a payment service provider associated with effecting the payment on behalf of the payor is an acceptable risk, the determination based upon information associated with at least one of an amount of the payment and one or more prior payments effected on behalf of the payor, or v) electronically debiting the payor account responsive to determining that an electronic credit can be initiated by a payment service provider to reverse the electronic debit if funds cannot be collected from the payor in association with the effected payment.

14. (Previously Presented) The system of claim 12, wherein each of the debit options is determined based, at least in part, upon at least one of i) an identity of the payee, ii) an identity of the payor, iii) an identity of a financial institution at which the payor account is maintained, iv) an identity of a consumer service provider with which the payor is associated, or v) a type of payment service offered by a payment service provider utilized by the payor.

Art Unit: 3696

15. (Previously Presented) The system of claim 12, wherein the execution of the payment request using the selected debit option and the credit option includes issuing an electronic funds transfer file via an ACH network.

16. (Previously Canceled)

17. (Previously Canceled)

18. (Previously Presented) The system of claim 12, wherein the plurality of debit options is determined based upon the received payment request.

19. (Currently Amended) The system of claim 12, wherein:

~~each of the plurality of debit options is associated with a priority, and the processor is further configured to determine that the first of the plurality of debit options has a higher associated priority than the second of the plurality of debit options.~~

~~the evaluation of each debit option of the plurality of debit options based on the at least one selected processing factor comprises a first of the plurality of debit options and a second of the plurality of debit options producing the same result,~~

~~the processor is further configured to determine that the first of the plurality of debit options has a higher associated priority than the second of the plurality of debit options, and~~

~~the automatic selection of one of the plurality of debit options comprises automatically selecting the first of the plurality of debit options based at least in part on determining that the first of the plurality of debit options has a higher associated priority than the second of the plurality of debit options.~~

20. (Currently Amended) The system of claim 12, ~~wherein: wherein the selected first of the plurality of processing factors comprises one of (i) the speed factor, (ii) the cost factor, or (iii) the risk factor, evaluation of each debit option of the plurality of debit~~

Art Unit: 3696

~~options based on the at least one selected processing factor comprises a first of the plurality of debit options and a second of the plurality of debit options producing the same result,~~

~~the processor is further configured to determine that the first of the plurality of debit options is associated with a shorter time period to complete payment to the payee on behalf of the payor than the second of the plurality of debit options, and~~

~~the automatic selection of one of the plurality of debit options comprises automatically selecting the first of the plurality of debit options based at least in part on determining that the first of the plurality of debit options is associated with a shorter time period to complete payment to the payee on behalf of the payor than the second of the plurality of debit options.~~

21. (Currently Amended) The system of claim 12, ~~wherein:~~ wherein the second of the plurality of processing factors comprises one of (i) the speed factor, (ii) the cost factor, or (iii) the risk factor, evaluation of each debit option of the plurality of debit options based on the at least one selected processing factor comprises a first of the plurality of debit options and a second of the plurality of debit options producing the same result

~~the processor is further configured to determine that the first of the plurality of debit options is associated with a lesser cost to the payment service provider than the second of the plurality of debit options, and~~

~~the automatic selection of one of the plurality of debit options comprises automatically selecting the first of the plurality of debit options based at least in part on determining that the first of the plurality of debit options is associated with a lesser cost to the payment service provider than the second of the plurality of debit options.~~

22. (Cancelled)

Art Unit: 3696

23. (Previously Presented) The method of Claim 1, wherein determining a credit option associated with the selected debit option includes selecting one credit option from a plurality of credit options.

24. (Previously Canceled)

25. (Previously Presented) The system of Claim 12, wherein the determination of a credit option associated with the selected debit option includes selecting one credit option from a plurality of credit options.

26. (Previously Canceled)

27. (Currently Amended) The method of Claim 1, wherein each processing factor of the plurality of processing factors has a respective factor value for each of the plurality of debit options, and

wherein the evaluation of each debit option of the plurality of debit options based on the ~~at least one~~ selected first processing factor includes evaluating the respective factor value for the ~~at least one~~ selected first processing factor associated with each debit option, option, and

~~wherein the selection of one of the plurality of debit options is based, at least in part, on the evaluation of the respective value for the at least one selected processing factor associated with each debit option.~~

28. (Currently Amended) The system of Claim 12, wherein each processing factor of the plurality of processing factors has a respective factor value for each of the plurality of debit options, and

wherein the evaluation of each debit option of the plurality of debit options based on the ~~at least one~~ selected first processing factor includes evaluating the respective value for the ~~at least one of selected~~ first processing factor associated with each debit option, option, and

Art Unit: 3696

~~wherein the selection of one of the plurality of debit options is based, at least in part, on the evaluation of the respective value for the at least one selected processing factor associated with each debit option.~~
